

Elizabeth Bergeron speaks to us...

Autumn 2020

At the Mausoleum with Elizabeth and Catherine-Aurelie

Here we are at the Mausoleum of the Catholic cemetery of the Saint-Hyacinthe Cathedral. Two sisters have lived there: one since October 30, 2014, Elizabeth Bergeron and the other since August 17, 2018, Mother Catherine-Aurelie-of-the-Precious-Blood, born Aurelie Caouette. They are two women from our region, they are Maskoutains.

I have been seeing them both since Mother Catherine-Aurelie arrived in August 2018. What a surprise! Yes, I have heard them talk about how happy they are to be together. When we enter the mausoleum, on the right is Elisabeth or Mother Saint-Joseph for people who know her by this name. On the left, when we go past the stairs, is Mother Catherine-Aurelie. They have so much to tell us: **“I would like hearts that will give love for love to Jesus. »** (Catherine-Aurelie). **“What is weak in the world, God has chosen it to confound what is strong. »** 1Cor. 1, 27 (Elizabeth Bergeron). One like the other carrying what God expected of them. The confidence of a heart turned toward the invisible Presence, especially in times of darkness. Are they not seekers of God? I believe that they are well at the Mausoleum because we feel a comforting peace and a deep joy there.

You know, it was on March 16, 1871 that Elisabeth went to the monastery of the Sisters Adorers of the Precious Blood. At the dawn of her 20s, she begins her postulate. She wants to give herself entirely to Jesus in prayer. The advice of Mother Catherine-Aurelie is immediately acted upon by the young Elisabeth. She thus spends long hours before the Blessed Sacrament and this fills her with joy and peace. However, the austere side of the contemplative life does not favor Elisabeth's delicate health. After a few months, Mother Catherine-Aurelie told her that her place was not between the walls of the monastery. Fervent and continuous prayer will help her find her way because God has reserved her for another mission.

Finding a place to live your relationship with God has proven to be extremely difficult. Bishop Louis-Zephirin Moreau invites her to found a community of educators for children in rural areas of the diocese of Saint-Hyacinthe. What wisdom in Mother Catherine-Aurelie, to have seen and sensed through Elisabeth's limits, openness to a vocational call other than the monastery.

Today, I hear them say to each other: "Here we are gathered, together to welcome visitors who need listening and healings of all kinds ..." Yes, what a wonderful sign of the presence of the Spirit of Jesus animated these two women! This same Spirit also brings us together under the same roof in the gardens of the Sisters Adorers of the Precious Blood, at the residence "Les Jardins d'Aur lie". Who would have believed it? Our two communities now form a community of contemplative and apostolic sisters, since 2014. What a wonderful wink from our Venerable Foundresses, isn't it?

Elizabeth and Catherine-Aur lie invite us to visit them at the Mausoleum, at 1075 rue Girouard Est, to offer them our requests or simply rest in front of their image and their tomb. Welcome! Please sign your name in the notebook each time you visit.

Case settled: A friend, whose son was in business, went bankrupt; he died accidentally without a will. So all his problems with the government fell on his father's back and have been for 6 years. After prayers and more prayers, everything was settled on March 12: the company closed and a small amount was claimed.

Good tenants: I asked Sister Elizabeth to help me find honest and respectful tenants for a 5 ½ apartment. My request was granted. The lease was signed 15 days later. Well done! Thank you !

Quick sale of a small farm: In February 2018 we made the painful decision to sell our property to move into a retirement home. Thus, on February 23, 2018, we signed an apartment rental lease at the "Le Saphir" complex with possession for September 1st, 2019. Fearing that the sale of our property would not be easy, we report it to the representative of "Le Saphir" who just had us sign our lease. The latter, who knows Sister Elizabeth Bergeron well, gives us an image and a medal of the sister, telling us that, by invoking her regularly, Sister Bergeron would help us sell our property. We believed in it and the next day we displayed the image and the medal in a noticeable place in our house to talk to her on a regular basis and ask her to help us sell our property. Since we had a property with several buildings and a maple grove, we knew that a property of this value was not accessible to all budgets and therefore more difficult to sell because there were fewer potential buyers. We sincerely believe that Sister Elizabeth Bergeron helped us in this transaction. Our real estate agent put up the "house for sale" sign at 3:30 p.m., our buyer came by around 5:00 p.m. and the next morning at 10 a.m., after a short visit, the purchase offer was signed. And the property sold at our price and on our terms. From this positive experience, we recommend Sister Elizabeth Bergeron to our friends

Keys found: A huge THANK YOU to Mother Elisabeth! In early July, John misplaced all of the keys to the church. He appealed to Mother Elizabeth to intercede with God to help him find the keys. The miracle happened this week. Jean found the keys in the garden. It's an inexplicable story. Many thanks!

The future of my grand- daughters: A few years ago, I entrusted my grand-daughters to Mother Elizabeth to guide their dating. They have companions who respect them, their desires, and the choices they make. Not only did she guide them in their choice of spouse but also in their choice of career. Laurence is in her last year of medicine. She has one final decision to make, whether to take a specialty or not.

Completion of the sale of a condo: Today, April 14, is a big day for me because it marks the finalization of the sale of my condo. I had asked our dear Mother Elizabeth to intercede with the "Good Lord" so that He would make happen what is best for the sale of my condo. That's what happened. After changing the appointments at least five times, the buyers went to the notary for the signatures on February 7, and I went today. Mother Elizabeth assisted me with the insurance, condo fees and tax payments, signing the lease, etc. It took a lot of my time and energy in March and April, but the results are wonderful.

Operation Successful: My husband's operation for stomach cancer was successful and his recovery is going well.

Sale of house: Following a request for the sale of our house, I inform you that it is done. I want to thank you. You will always be in my prayers, as usual, and for the rest of our lives. The confidence and the positive feelings are there. Many thanks. Don't let go, you are still in my heart.F. B..., Granby, QC

Multiple favors: Gratitude to our dear Mother Elizabeth Bergeron who takes care of me night and day. Thank you to our good Mother Saint-Joseph who continually intercedes with God to protect me. I sold my condo to good people who keep me as a tenant. I was able to reach out to my financial advisor to invest the money from the sale of my condo safely. I lived my period of confinement serenely; during this time I had my family's help with groceries and I was fortunate enough to follow religious programs on TV or on the internet. I am sure that it helps me protect my health every day. Thank you again, thank you, thank you, for all this and for other favors I might have forgotten.

Sale of a condo: I just heard that my condo has been sold! Thank you for your prayers and support. I entrusted everything to Mother St-Joseph and she heard, I had left her free to answer my prayer or not according to what she considered the best. Thank you Mother Saint-Joseph.

Lived liberation: Thank you to Sister Elizabeth Bergeron for having helped and answered us because we lived through difficult times. By praying to her, we are better.
